

**There's never  
a good time for  
things to go  
wrong.**

With our **Maintenance Membership Program** you won't have to worry about your home's heating or cooling systems, no matter the season. You'll save money on increased efficiency and discounted repairs and get customized service for your systems' needs. Plus, you won't pay extra for anything you don't need.

In fact, while you're busy not worrying about your HVAC system, we'll be putting more money in your pocket with increase efficiency and utility savings.

*"An ounce  
of prevention is  
worth a pound  
of cure."*

- BENJAMIN FRANKLIN

**Performing regular maintenance  
on your heating and cooling systems  
in your home lessens the likelihood of  
emergency situations and costly repairs.**

Scheduling regular maintenance will also ensure it operates at peak efficiency and extends its life. Maintenance services require the knowledge, skill, and the tools of a professional. Our technicians will make any necessary repairs and, if foreseeable, alert you of anything that may need to be addressed in the future.

# MAINTENANCE MEMBERSHIP PROGRAM

Our heating and cooling tune-ups include everything that **MUST** be done on an annual basis. Our checklists consist of the main tasks that will be performed. Depending on the state of your equipment there may also be some recommended add-ons to choose from. These will differ from home to home. This way we can ensure your system receives the service it requires at each visit – no more, no less.

## MEMBERSHIP BENEFITS:

- **15% Discount on ALL Repairs**
- **1 Year Part Warranty on Repairs**
- **Periodic Specials & Promotions**
- **Extended Equipment Life**
